

# Earth, Wind And Fire, Thinking Of You

(Maurice White/Wayne Vaughn/Wanda Vaughn)

Thinking of you  
What would I do  
I'll be true  
I'm thinking of you

Not to say that I'm a matchmaker  
When it comes to you  
You met your match

You're inclined to  
Leave me fascinated  
By the things you do  
My baby dance, oh yeah

You can bet your bottom dollar  
Honey, I will be with you  
Through thick and thin, oh yeah  
I would love to give a testimony  
'Bout the way you are  
You're my best friend

[CHORUS]  
I've been thinking  
(Thinking of you)  
Got me wondering  
(What would I do)  
Got me thinking  
(I'll be true)  
Got me wondering  
(I'm thinking of you)

You're the one that  
Makes my love light shine  
Every time, morning till night

With the sentimental way you show  
The kind of love  
Makes it all right, yeah

What you give is extraordinary  
It's a way of life I like to live  
I could be with you forever  
'Cause lovin' gives me a thrill

[repeat CHORUS]

You got me thinking  
Thinking about you, baby  
You got me thinking  
What I would I do  
You got me thinking  
I'll be true  
You got me thinking  
Thinking of you

Girl, I appreciate  
The love we generate  
You keep me satisfied  
Just the sun that shines  
Deep in this heart of mine  
Your love shining through

Thinking of you  
What would I do  
I'll be true  
I'm thinking of you

You got me thinking  
Thinking about you, baby  
You got me thinking  
What I would I do  
You got me thinking  
I'll be true  
You got me thinking  
Thinking of you
