

Earth, Wind & Fire, Betcha'

(Gregory Curtis)
2003 CARDRAYGEE MUSIC (SESAC)

I gave you my all from the start
Every piece of my heart
Making incredible love to you

Growing so close everyday
I never thought that you would go away
But after all the love we made - I'll ..

Betcha' come looking for me
Cause girl you know I really love you
Betcha' come looking for me
Cause I know just how to satisfy you
Betcha' come looking for me
Cause I'm the only one who can
Love you right - give you what you need

Girl you know our love
Was so intense the flame could not be tamed
Every time I'd make you call my name
And all the magical moments so sweet
I guarantee - we will see

Betcha' come looking for me
Betcha' come looking for me
Cause all the love I gave you was so sweet
Betcha' come looking for me
Cause I'm the only one who...

Made you cry -
Tears of joy in the heat of the moment
Stroking you, loving you girl,
Making you scream
