

# Earth, Wind & Fire, Celebrate

Maurice White, Charles Stepney & Philip Bailey

Seasons change, they rearrange  
So why can't you and I--say why  
Thoughts we find, are so unkind  
We often have to cry--but why

Chorus:  
Celebrate, change your thoughts to love  
Celebrate, what you're thinking of  
Time ain't long, soon we'll be moving on,  
Moving on...

Nature's way for her to say in perfect harmony  
Find your place, your past erased  
For life's new destiny.

Chorus:  
Celebrate, change your thoughts to love  
Celebrate, what you're thinking of  
Time ain't long, soon we'll be moving on,  
Moving on...
