

Earth, Wind & Fire, Honor The Magic

Maurice White & Freddie Ravel

Hold on to your spirit
Always feel your soul
Honor the magic
In your heart

Aa family we're part of
Everlasting hope
Bringing the magic
Giving that tender love

Through ups and downs
You've got to
Hold on to your spirit
Always feel that love and
Music's everlasting

Giving of your heart so tender
Warfamily, let's surrender
In our heart and soul
There's joy and laughter

Heart so tender
Love surrender
Our hearts are filled with
Joy and laughter
