

Earth, Wind & Fire, Lets Groove

Let this groove, get you to move
It's alright, alright
Let this groove, set in your shoes
Stand up, alright

Gonna tell you what you can do
With my love, alright,
Let you know girl you're looking good
You're out of sight and alright

Move yourself and glide like a 747
Love yourself in the sky among the clouds in the heavens

Let this groove, light up your fuse, alright
Let this groove set in your shoes
Stand up, alright,
Gotta let you know girl you're looking good
You're out of sight, you're alright

Tell the DJ to play your favorite tune
Then you know it's okay
What you found is happiness, now
Let this groove, get of mind to move, alright
Let this groove, set in your shoes
Stand up, alright

You will find peace of mind on the floor
Take a little time, come and see, you and me
Make a little sign, I'll be there after awhile
If you want my love
We can boogie on down, down, down, down

Let's groove tonight
Share the spice of life
Baby slice it right
We're gonna groove tonight
