

# Earth, Wind & Fire, Moonwalk

Challenges to the sky  
Man made wings to fly  
Genius masterminds  
Conquered changing times  
And though he'd done everything  
When he walked on the moon, they sang

Here I am, down on earth  
And baby for all it's worth  
Meaning the world to me, lovin' you faithfully  
We got a better song to sing  
Let's make the love bells ring

Wanna take you on a moonwalk baby  
Wanna take you on a magic carpet ride  
Forever my love, you'll be mine

We can have a little moon talk baby  
About our future plans together  
In this life ole fashion love will make it right

Computers on the rise  
Our feelings are synthesized  
Makes it hard to feel  
The touch of your love that's real

We never take time to love  
We think one love is not enough  
Million stars in the sky  
But one star that shines in my eyes,  
it's you

Wanna take you on a moonwalk baby  
Wanna take you on a magic carpet ride  
Forever my love, you'll be mine

We can have a little moon talk baby  
About our future plans together  
In this life ole fashion love will make it right

We got a better song to sing  
Let's make the love bells ring  
Million stars in the sky  
But one star that shines in my eyes

It's you, baby it's you  
Let's blast off up the moon.
