

Earth, Wind & Fire, Spirit

Maurice White & Larry Dunn

Many years has passed and a day
Still we walk, in a path
That leads to the light
Shining down, on this great beyond
Thoughts ignite us, let love unite us
Then turn your face to the wind
And taste his love within

You'll find a friend - everlasting love
You can depend, everytime you smile
You bless a child
Our spirits perpetuate
Our spirits meditate love and faith

We must make our brother see
That the light is he
Shining on you and me
And the land he gave
Roads we must pave
Looking thru each others eyes
Humanity will rise
In love

And our spirits
They will be one.
