Earth, Wind & Fire, Spirit

Maurice White & Dunn Larry Dunn

Many years has passed and a day Still we walk, in a path That leads to the light Shining down, on this great beyond Thoughts ignite us, let love unite us Then turn your face to the wind And taste his love within

You'll find a friend - everlasting love You can depend, everytime you smile You bless a child Our spirits perpetuate Our spirits meditate love and faith

We must make our brother see That the light is he Shining on you and me And the land he gave Roads we must pave Looking thru each others eyes Humanity will rise In love

And our spirits They will be one.
