

# Earth, Wind & Fire, Super Hero

Prince

Chorus:

I will be your Super Hero  
But U must understand  
If I'm 2 be your Super Hero  
U must give me half a chance  
Listen 2 my band

I am born unto pverty and fear  
I am scorned yet I hold back my tears  
There's so much I can and  
Will and want 2 do  
But I cannot until I get through 2 U

Chorus

I am lucky if I learn 2 read and write  
Where I live U must first learn 2 stand and fight  
I'm the product of the system, I'm aware  
What's my name, don't matter-nobody cares

Chorus

I understand U need me if U ever 2 war  
But I don't understand if I buy the goods  
Why I can't own the store  
Don't tell me that I am not worthy  
After 400 years overtime

If it's yours then tell me  
Why can't it be mine  
I am just as good as U or any kind  
And there's so much I can  
And will and want 2 do  
But I cannot until I get through 2 U

Chorus

Give us what U give your brothers  
Then U'll understand  
That I won't be your Super Hero  
Until U give us all U can now-now!
