Earth, Wind & Fire, The World's A Masquerade

Skip Scarbrough

Can this world be a masquerade Are you really what we see on the outside and hidin' what what you really are on the inside Pretending that you're something you're really not

Whole world is a masquerade Everybody, everybody wears another face

Can't you see what you really are Pretending that you want the world to be a better place, fightin', makin' war on your fellow man

So why wear this face that makes it seem everything's so great

Whole world is a masquerade Everybody, everybody wears another face
