

# Earth, Wind & Fire, To You

Don't try to hide the way you feel  
'Cause deep inside you know, you can feel it  
What's inside your heart can't be concealed  
'Cause now or then you'll find, you reveal it

So bring your body close to me, and let me make it right  
'Cause I can see forever in your eyes

[Chorus:]

So, take this love, baby, I surrender  
Take this love, baby love me tender  
Take this love  
All I wanna do is give my love to you

Don't be afraid to give your all  
If something is this good, can't be wrong, oh baby, must be right  
If it's real inside our hearts  
Just look into my eyes, you can see it

So bring your body close to me, and let me make it right  
'Cause I can see forever in your eyes

[Chorus]

Oh, just try (try) to believe (to believe)  
Though it's hard (though it's hard), to conceive (to conceive)... that love...  
Oh, you will find (you will find), something real (something real)  
It will define (will define) how you feel (how you feel) in your heart (in your heart)

[Instrumental Interlude]

Here's my heart, yeah...

[Chorus]

Now Maurice will say something like ...  
Hey-yeah-yeah-yeah [3x]  
Oh-whoa-whoa-whoa  
Take this love... I give to you, baby all I want to do  
I surrender, yeah-yeah-yeah, yeah-yeah-yeah... I surrender, yeah-yeah-yeah
