

# Earthlings?, 666er

Ahoo, hey, yeah, yeah  
Ahoo, hey, yeah, yeah  
Ahoo, hey, yeah, yeah  
Ahoo, yeah

Hitch a ride on a river boat  
Aboard a misery ship  
Sailing on toward infinity  
Of a total eclipse  
Like a way to navigate  
Super-nautical trip  
Trees are on fire, baby,  
Wanna take a sip

I know you want it  
Tell me what  
Can you feel it?  
Tell me why

Ahoo, hey, yeah, yeah  
Ahoo, hey, yeah, yeah  
Ahoo, hey, yeah, yeah  
Ahoo, yeah

Walking down future street  
by the seventy seas  
you can lose your memories  
and get what you need

I know you want it  
Tell me what  
I know you can get it  
Tell me what

Ahoo, hey, yeah, yeah  
Ahoo, hey, yeah, yeah  
666, yeah  
Ahoo, hey, yeah, yeah  
666, yeah  
Ahoo, hey, yeah, yeah  
666, yeah  
Ahoo, hey, yeah, yeah  
666, yeah
