

Earthlings?, Cavalry

guess i'm a soldier
guess i'm a man
i better get out there and follow the master plan
i guess i'm a soldier
i'm a man
cannot afford that master plan
(now shoot 'em up, shoot 'em up, shoot 'em up, dog)

let's call out the cavalry
get some pictures; i fight for free

i'm a man
i'm a soldier
i got a plan, i'm gonna go for
i'm a man
i got a plan
got some pockets full of food
i'm gonna kill
i'm gonna do the dude
i'm a man
i got a plan

let's call out the cavalry
woo, yeah, let's kill!
woo!

i'm a girl
got some curls
wanna go
kill some boys
(kill some boys)

well, i'm a girl
kill some boys and take their toys
don't smoke the gun
i'm gonna get me some

let's call cavalry tonight
let's go kill and then we'll fight

i'm a man
i'm a boy
got a plan
got me a toy!
