

Earthlings?, I Could Be Wrong (But I Don't Think

I could be wrong, yeah, but I don't think so
Something follows me everywhere that I go
I've felt this way for so long
I tell them ? I'll be gone

Now you know that...
I could be wrong, yeah, but I don't think so
Something waits for me everywhere that I go
?
And here comes the rain
?

I could be wrong, yeah, but I don't think so
Something follows me everywhere that I go
I could be wrong, yeah, but I don't think so
Something waits for me everywhere that I go
I could be wrong, yeah, but I don't think so
