

Earthlings?, Momma Still Loves Me

When I was 6 in church one Sunday,
Preacher caught me stealing money
from the collection plate
and all eyes filled with hate
Got expelled for ditching class
Told the whole school they could kiss my ass
because nobody loved me

No matter what I did or how hard she tried
Momma kept a little love inside
She loved me
Momma still loves me

I got arrested with some whacky weed,
an ounce of cocaine, and some LSD
She stood right by me through it all

No matter what I did or how hard she cried
Momma kept a little love in her eyes
Because she loved me
Momma still loves me

I'm 26 in the federal pen
Got myself in trouble again
And now Momma comes to visit every other week

No matter what I did or how hard she cried
Momma kept a little love inside
Because she loves me
Momma still loves me
Yeah, yeah, my Momma loves me
Momma still loves me

How could you still love me Momma?
Tell me you love me, Momma.
