

Earthlings?, Rock Dove

Give me 5 chants for a circle of protection
oi oi oi oi oi

It starts with the feet and ends with the beats
Be carefully, it's not bad, you see.

Walk with them over,
Crooked to spake
spitting with the devil bow.

nobody takes

Give me 5 chants for a circle of protection
oi oi oi oi oi

Cities overgrown
Teach you not to know.
What is this you have found in your depths?

never free

Cities overgrown
Thought you might have known.
Who is this? Just a fee or is there deaths?

non-violent

Give me 5 chants for a circle of protection
OI OI OI OI OI

I don't believe in the god of vengeance
nobody knows
