

Earthlings?, Vegan Meth

Might be the end of something
Might be the end of something
Might be the end of something

Might be the end of something
Might be the end of
Might be the end of something
Might be the end of

I follow into the deep, dark sky.
What darkness thinks, space can't hide.

Might be the end of something
Might be the end of something
Might be the end of something
Might be the end of something

Bingo at 5:30, said the sign.
Might be the end of something
My little buckaroo, see my guy.
Might be the end of something

Might be the end of something
Might be the end of something

I follow into the deep, dark sky.
Sing a song, you shall die.

Might be the end
Might be the end
Might be the end
Might be the end
