a meeting of minds  
a meeting of hearts and vibes  
discuss the ideas  
to locate some common ground  
a meeting of minds  
a meeting of hearts and vibes  
built two angles  
tangential oblique sounds  
shouty bit:  
the thread is picked up, followed, found - found

emit sounds to raise  
an awareness to rise  
eracement of lives  
this value is applied  
emit sounds to raise  
an awareness to rise  
to spark a process  
and overcome the inertia  
shouty bit:  
the thread is picked up, followed, found - found
