Easily amused, Good year

Let's get crazy Let's be sure to lose our minds Let your hair down Welcome to your life This is gonná be a good year Right now, right here Everybody Let's all hang around this place There's lots of sunshine To spread your love all over tonight This is gonna be a good year Right now, right here Lose your cares Throw them out Deep in the ocean Venture off Crash into love If your life's a mess Shake it off Down let it beat you Nothing can stop you now! This is gonna be a good year Right now, right here
