

# Easybeats, Heaven And Hell

Hell Is Knowing That Your Face Hase Gone Red  
Discovering Someone Else In Your Bed  
Baby Baby  
This Kind Of Love's Bringing Down This Man

You Got Me Goin' Between Heaven And Hell  
The Ups And Downs Of You Got Me So I Could Stand Up And Yell  
You Do Me Wrong But I Know You  
Still There's No Disputing That You're Out Of Sight

Hell Is Drowning In The Sea Of Despair  
The World Goes By  
But I'm Not Aware  
Baby Baby  
This Kind Of Love's Bringing Down This Man

You Got Me Goin' Between Heaven and Hell  
The Ups And Downs Of You Got Me So I Could Stand Up And Yell  
You Do Me Wrong But I Know You  
Still There's No Disputing That You're Out Of Sight

Heaven Is In Your Eyes The Moment You Realise  
I'll Soon Be Free Free For You  
Oooh

You Got Me Goin' Between Heaven and Hell  
The Ups And Downs Of You Got Me So I Could Stand Up And Yell  
You Do Me Wrong But I Know You  
Still There's No Disputing That You're Out Of Sight
