

# Easyworld, All I Can Remember

This is all I can remember after  
All I had forgotten, well its you  
oh, no.  
You can strive for head of empty baby  
Try and think of nothing  
But think of me, Oh no, no.

Well this is all I can remember after  
all I had forgotten, Well its you  
oh no.  
You can strive for head of empty baby  
Try and think of nothing,  
Think of me oh, oh.  
You're alright, alright tonight
