

Eazy E, I'd Rather Fuck You

Aaaah, this is one of them songs
you can kick back and smoke a joint to
And get real fucked up
I like to dedicate this one to all the lovely young ladies out there
Oh me? I'm Eazy E, alias a Hoe Taming Motherfucker
And I want all you ladies to know something

[Verse 1:]

I'd rather fuck with you all goddamn night,
cause your pussy's good
Now I'm fucking al your friends,
cause you ran your mouth like I knew you would
You were bragging to your friends,
saying Eazy E knows how to fuck
So bring your ass in here and give me some,
so I can bust a nut

[Chorus:]

I'd rather fuck you, yeah (said I'd rather fuck you) [2x]

[Verse 2:]

I'd rather fuck with you,
cause I like the way you scream my name
I know you like this dick,
cause you enjoy the pleasure and pain
Now I'm riding on this pussy here,
and I'm gonna stiop
We can do it doggystyle,
and you can get on top

[Chorus]

Whoo boy, I'd rather fuck you, yeah
Ineed you baby, whoo, I'd rather fuck you
I'd rather fuck with you

[Verse 3:]

I'd rather fuck with you,
cause the other bitches wanna wine and dine
I better hurry up and bust a nut,
cause it's check out time,
She said she wanted me to eat the pussy,
well I think I'll pass
So get your ass up you funky bitch,
and wash your ass

[Chorus fades]
