

# Echo And The Bunnymen, In The Margins

Tuck me in  
I need to sleep now  
I need dream how  
I used to dream

Look me in  
Look me in the face now  
Help me believe how  
I used to believe

Now do you see how  
They're in the margins  
Below and up above  
I'll see now  
How life wins  
When all that's left is love

Rope me in  
Lasso my heart, love  
Loosen my soul, love  
Spirits and dreams

Hope begins  
Right at the start of  
The search for the gold, love  
In the driving rain

Now do you see how  
We're in the margins  
We're below and up above  
I see now  
How life wins  
When we're all that's left is love

We're all that's left  
Of love  
We're all that's left  
Of love

Tuck me in  
I need to sleep now  
I need dream how  
I used to dream

Look me in  
Look me in the face now  
Help me believe how  
I used to believe

Now do you see how  
They're in the margins  
Below and up above  
I see now  
How life wins  
When all that's left is love

All that's left is love  
All that's left of love
