

Echo Image, Messing With Love

She was, gooing on tonight
And Im feeling that, you dont understand
Here without you
What am I to do?
Without you, what I supposed to do?

OOOoooooooh You mess arround with love
OOOOoooooooh Find myself, Into your love, see you walk arround.

Tell me why, you dont understand
Would it help you if, I was another man?
Here without you, what am I to do?
Without you, What am I supposed to do?

OOOoooooooh You mess arround with love
OOOOoooooooh Find myself, Into your love, see you walk arround.
OOOoooooooh You mess arround with love
OOOOoooooooh Find myself, Into your love, see you walk arround.

{Bridge}

OOOOoooooooh Find myself, Into your love, see you walk arround.
OOOoooooooh You mess arround with love
OOOOoooooooh Find myself, Into your love, see you walk arround.
