

Echo, Menudo

[VERSE 1:]

oh man, it feels like im losing control
forgot what its like to rule my world
she got me and she got me good
i dont even wanna hang around my boys

[PRE-HOOK:]

i used to say im not that kinda guy
i dont do love, dont waste my time
but lately all that's on my mind
is when i'm back with her

[CHORUS:]

with her, with her
and everywhere i hear her words
every corner i seem to turn
i can't hide from this love
oh oh, oh oh, it keeps haunting me wherever i go
oh oh, oh oh, filling up my heart, i can feel it
oh oh, oh oh, going round and round like an echo
echo, echo, echo, echo, echo

[VERSE 2:]

somehow, i keep lying to myself
i say i can manage just right along
matter fact i am so damn scared
cause i think about where i belong

[PRE-HOOK:]

i never had this kind of feeling before
i think i'm falling in love
cause lately all that's on my mind
is when i'm back with her

[CHORUS:]

with her, with her
and everywhere i hear her words
every corner i seem to turn
i can't hide from this love
oh oh, oh oh, it keeps haunting me wherever i go
oh oh, oh oh, filling up my heart, i can feel it
oh oh, oh oh, going round and round like an echo
echo, echo, echo, echo, echo

[BRIDGE:]

round and round, everywhere, in my head, in the air
echooo, echooo
round and round, everywhere, in my head, in the air
echooo, echooo
(menudo, echoo)

[HOOK:]

i can't hide from this love
oh oh, oh oh, it keeps haunting me wherever i go
oh oh, oh oh, filling up my heart, i can feel it
oh oh, oh oh, going round and round like an echo
echo, echo, echo, echo, echo
i can't hide from this love
oh oh, oh oh, it keeps haunting me wherever i go
oh oh, oh oh, filling up my heart, i can feel it
oh oh, oh oh, going round and round like an echo
echo, echo, echo, echo, echo
