

Echobelly, Bleed

Where and why this journey lies
With faded sighs for every mile
I'm awake
Hunger bleeds in each and everyone of us
We chase our dreams unaware

And I never had the chance to say no
And I never had the chance to say no
Don't walk away

Where's the trust the one in us
Entwined, inclined and gladly blind
Fade away
Hunger bleeds in each and everyone of us
And now I'm lost

And I never had the chance to say no
And I never had the chance to say no
Don't walk away
Say no
