

# Echobelly, Everyone Knows Better

I know there's a certain amount  
To what you're thinking  
My hopes never seem to amount  
To more than stopping smoking

Everyone knows better. I'll do it anyway  
Everyone knows better oh yeah

Heroes never seem  
To allow for self-expression  
Lovers stick around  
To allow what they think you're missing

Everyone knows better. I'll do it anyway  
Everyone knows better. I'll do it anyway

Looking around  
To avoid what's in front of you  
Good intentions  
Wrapped round like some old sweater  
A vain hope  
That it might be good for you

You mind is made  
Make your mind up  
Make your mind up  
Make your mind up  
We like to make the same mistakes

Sunshine  
A ray of hope in a hopeless situation  
Suntanned  
Your reward for the hopeful hours that you spend  
Burning

Everyone knows better. I'll do it anyway  
Everyone knows better. I'll do it anyway  
Everyone knows better. I'll do it anyway  
Everyone thinks they know better  
I'll do it anyway

Looking around  
To avoid what's in front of you  
Good intentions  
Wrapped round like some old sweater  
A vain hope  
That it might be good for you  
Your mind is made
