

# Echobelly, Father, Ruler, King, Computer

Is it wrong to be alone,  
An adventure of my own,  
A celebration of myself and me,  
Discovering what I can be,  
The half a couple fantasy.

Oh luck is on my side,  
I celebrate my life,  
Don't try to come,  
Don't pin me down with vows and flowers.

I was brought up, I've been told,  
That a husband is the goal,  
What connotations in these loaded words,  
A spinster and a batchelor,  
I am whole all by myself,  
I don't need nobody else.

Oh luck is on my side,  
I celebrate my life,  
Don't try to come,  
Don't pin me down with vows and flowers.

Oh luck is on my side,  
I celebrate my life,  
Don't try to come,  
Don't pin me down with vows and flowers.

Father ruler king computer

Hello destiny is this what you want from me,  
Don't anybody try to stop me.

Oh luck is on my side,  
I celebrate my life,  
Don't try to come,  
Don't pin me down with vows and flowers.

Oh luck is on my side,  
I celebrate my life,  
Don't try to come,  
Don't pin me down,  
Don't pin me down.
