

Echsmith, Shut Up and Kiss Me

you talk a lot
but you don't say
what's on your mind
your lips are moving
but you're saying
something else whit your eyes
small talk is going
out of fashion
give me an honest interaction

I am mystified
I am wondering why
you don't
you don't
you don't jus

shut up and kiss me
shut up and kiss me
you turn away
do you want me to say
shut up and kiss me
you're such a mystery
you turn away
but I wish you'd say
shut up /5x
shut up and kiss me
