

Ed Bruce, The Tracks You Left On Me

Words & Music by
Ed Bruce, Jeff Elliott and Mike Morgan

How could I have known back at the start
The day might ever come when you would break my heart
Well, here it is but damned if you will ever know
Not a trace of what I feel inside will ever show

- Chorus -

I'm not the first and I won't be the last
I can only judge your future by your past
And I would rather die than ever let you see
Any trace of the tracks you left on me

I will not go away as time goes by
And I'll walk around your mind until the day you die
And you'll keep wonderin' why you couldn't see
Any trace of the tracks you left on me

(Repeat Chorus)

You'll never see a sign of the tracks you left on me
