

# Ed Sheeran, Best Part of Me (feat. Yebba)

my lungs are black  
my heart is pure  
my hands are scared from night before  
and my hair is thin and falling out  
of all the wrong places  
I am a little insecure

my eyes are crossed  
but they're still blue  
I bite my nails and tell the truth  
I go from thin to overweight day to day  
it fluctuates  
my skin is inked but faded too

but she loves me  
she loves me  
why the hell does she love me  
when she can have anyone else?  
oh you love me  
you love me  
why the hell do you love me  
cause I don't even love myself

baby, the Best Part Of Me is you  
lately everything making sense too  
baby, I am so in love with you

I overthink and still forgive  
I lose my phone and place my bets  
and I never catch the train on time  
always 30 minutes behind  
your worries ain't seen nothing yet

you love me  
you love me  
why the hell do you love me so  
when you can have anyone else?  
yeah he loves me  
he loves me  
and I bet he never lets me go  
shows me how to love myself

baby, the Best Part Of Me is you  
lately everything making sense too  
baby, I am so in love with you  
baby, the Best Part Of Me is you  
lately everything making sense too  
baby, I am so in love with you
