## Ed Sheeran, Remember the Name (feat. Eminem

I was born a misfit grew up 10 miles form the town of Ipswich wanted to make it big always dismissed quick stick to singing, stop rapping, like it's Christmas and if you're talking moony then my conversation shiftin; my dreams are bigge than just bein' on the rich list might e insane in the song might get twisted my wife wears red, but looks better without the lipstick I am a private guy and you know nothin'; bout my business and if I had my 15 minutes I must have missed 'em 20 years old is when I came in the game and now it's 8 years on nd you remember the name and If you though I was good, well then I'm better today but ir's ironic how you people, thought I'd never be great I like my shows open'air, Tokyo, to Delaware put your phone I in the air f you wanna be rocked you know I want way more than I already got give me a song with Eminem and 50 Cent in the club

you know it ain't my time to call it a day I wanna crack one and I wanna be paid but it's about time you remember the name you know it ain't my time to call it a day I wanna crack one and I wanna be paid but's it's about time you remember the name

[Eminem:] I can still remember tryna shop a deal from Taco Bell to TRL I climbed to Billboard charts to the top until as fate would have it became an addict, funny cause I had pop appeal but they said time would tell id I'd prevail abd al I did was, put Nine Inch Nail in my eylids now I am seeing diamonds a sales like I am in Zales shoithout doubt by any means if rap was skinny jeans, I couldn't do anything in em I 'd be splittin seams of denim when I am spitting schames which rreally means no ifs, ands or buts are squeezin' in between

you know it ain't my time to call it a day I wanna crack one and I wanna be paid but it's about time you remember the name you know it ain't my time to call it a day I wanna crack one and I wanna be paid but's it's about time you remember the name

[50 Cent:]
ain;t nobody cold as me
I dress so fresh, so clean
you can find me in my whip
rockin' my Fendi dro
man, you know just what I mean

shinin' wrist whit the rocks on it busc emis whit locks on tit balanciaga saga, I am in Bergdorf ballin' everything my voice on that shit knock, don't it? it's just another people my heos I spoil 'em she like the fly shit and I like to buy shit shet I am getting stuopid money wht else we gon; do with money? bitch, we be ballin out the king bring me 50 bottles

you know it ain't my time to call it a day I wanna crack one and I wanna be paid but it's about time you remember the name you know it ain't my time to call it a day I wanna crack one and I wanna be paid but's it's about time you remember the name
