

Eddi Reader, Should I Pray?

Should I pray?

Is it safe?

Put my faith in rewards

Somewhere a lifetime away?

Lose all of my friends to these prayers?

Lose the rest of my life to these prayers?

It don't look safe to have faith

Am I talking to myself in these prayers?

Or will it lead me to somewhere in death?

It don't look safe to have faith

Should I pray? Is it safe?

Lose a life, lose a love, lose it all my friend.

Lose a life, lose a love, lose it all my friend.

Lose a life, lose a love, lose it all my friend.

Lose a life, lose a love, lose it all my friend.
