

Eddie Cochran, C'mon Everybody

Well cmon everybody and lets get together tonight
I got some money in my jeans and Im really gonna spend it right
Well Ive been doin my homework all week long
Now to have some fifty and my folk are gone
Ooh! Cmon everybody
Oh well, my babys number one
But Im gonna dance with three or four
And the house will be shakin From the bare feet
A-stampin on the floor
Well when you here the music, You cant still
If your brother wont rock, Your sister will
Ooh! Cmon everybody
Oh well, we really havent money but we gotta put a guard outside
If the folks come home Im afraid, theyre gonna have my hide
Thered be no more movies for a week or two
No more runnin round with the usual crew
Who cares? Cmon everybody
