

# Eddie Fisher, Wish You Were Here

They're not making the skies as blue this year - wish you were here  
As blue as they used to when you were near - wish you were here  
And the mornings don't seem as new  
Brand-new as they did with you  
Wish you were here, wish you were here, wish you were here

Someone's painting the leaves all wrong this year - wish you were here  
And why did the birds change their song this year - wish you were here  
They're not shining the stars as bright  
They've stolen the joy from the night  
Wish you were here, wish you were here, wish you were here

Someone's painting the leaves all wrong this year - wish you were here  
Why did the birds change their song this year - wish you were here  
They're not shining the stars as bright  
They've stolen the joy from the night  
Wish you were here, wish you were here, wish you were here
