

Eddie Floyd, Good Love, Bad Love

Given' up on your love because
I found out years I've lost.
I found out so hard myself,
What's been seen by everyone else -

Oh that your good love, good, good love
Has been a bad, bad love.

Led me on, oh that's what you did,
To believe that you loved me -
When all the time you knew
You just pitied me.
Oh that's all right, guess you win -
Every road must have an end -

When your good love, good love, good love
Has been a bad, bad love.

Am I wrong?
That's what I ask myself,
And I just got to know,
Should I forgive,
And find somebody else?
You know I stood yesterday,
Oh I can't stand it again -

When your good love, good love, good love
Has been a bad, bad love.

(Oh) Good love, good love, good love
Has been a bad, bad love.
