

# Eddie From Ohio, Away-O

(Chorus)

Away-o  
Away-o  
Away-o  
On you go

A wrinkle in my sail  
I know that air ain't free  
Billy took out his needle and thread  
And said these words to me:

(Chorus)

A new face in my bed  
Fulfilled a vacancy  
Outstretched arms that touched my soul  
And made sweet love to me.

(Chorus)

My dog, he died a year ago  
Right by his burial place  
I knelt down; an old greyhound  
He came and licked my face.
