

Eddie James, Worship The One

I worship the Savior
I worship the King
I worship the One of whom angels did sing
The One whom the wise men with warm hearts did seek
At a manger they bowed and laid gifts at His feet

Chorus:

I worship the One who is Jesus
I worship the One who is born of God
I worship the One who is Jesus
I worship the One who is born the Son of God

I worship the One of whom shepherds did find
Old Kings and prophets His birth they prophesied
I worship the Healer
I worship the Christ
I worship the One who's the way, truth and the life

(chorus)

I worship the One who walks on the water
I worship the One who can say peace, be still
I worship the One who loves
To be lifted up on a cross on a hill

(chorus)
