

# Eddie Reader, Town Without Pity

When youre young and so in love and free  
And bewildered by the world you see  
Why do people hurt you so  
Only those in love would know  
What a town without pity can do  
When we stop to gaze upon a star  
People talk about how mad we are  
Ours is such an evil age  
Were like flowers in a cage  
What a town without pity can do  
Yeah, we have problems, many problems  
We need an understanding heart  
Why dont they help us, try to help us  
Before this grey and granite planet falls apart  
Take these eager lips and hold me fast  
Im afraid this kind of joy cant last  
How can we keep love alive  
How can anything survive  
When these little minds tear you in two  
What a town without pity can do  
Instrumental section  
How we can we keep love alive  
How can anything survive  
When these little minds tear you in two  
What a town without pity can do  
No it isnt very pretty  
What a town without pity...pause can do
