

Eddie Vedder, Setting Forth

Be it no concern
Point of no return
Go forward in reverse

This I will recall
Everytime I fall

I'm free
Setting forth in the Universe

Oh I'm free
Setting forth in the Universe
ahh-oohhh

Out here, realigned
A Planet out of sight

Nature drunk and High
Oh I'm free
I'm free

ahh-oohhh
ahh-oohhh
ahh-oohhh
