

# Eddie Vedder, You Are True

Lonely cliffs and waterfalls  
If no one sees me, I'm not here at all  
You could be the one to liberate me from the sun  
So please, give the moon to me  
I'd be indebted to ya  
Walk the dog and pay rent to ya  
If you say the word, I'm yours  
Oh I'm sure, o?  
Nothing ever goes my way  
But with you here, that all will change  
Suddenly I'm a new born child  
And I'm ready to live a while with you  
So much left to do  
And so I thank you dearly  
For letting me see clearly  
Open up, she said  
You're true, be you  
I'm at home in my own skin  
I'm like an ocean's tide come in  
You could be the one to hold my hand  
Beneath the full moon  
You could be the one  
You're true, you're true  
You're true, you're true  
You're true
