

Eddy Arnold, An Angel Sleeps Beside Me Every Night

AN ANGEL SLEEPS BESIDE ME EVERY NIGHT

(Gary S. Paxton)

'71 Acoustic Music

An angel sleeps beside me every night
Without her love my world would fade away
Yes an angel sleeps beside me every night
And because of her my sun shines every day
Sometimes when the outside world starts to get me down
And I'm sure that I can't make it till the dawn
Just knowing she's upon the bed beside the place I lay my head
Revives the faith I have in goin' on
Cause an angel sleeps beside me every night...
Cause an angel sleeps beside me every night...
Yes an angel sleeps beside me every night...
