

Eddy Arnold, Biggest Fool In Tennessee

I didn't know till I met you how foolish I could be
The biggest fool in Tennessee is part compared with me

I let myself fall in love with you and now it's plain to see
The biggest fool in Tennessee knows more about love than me

You had some kisses to spare and I just happenend to be there
Well go ahead now and have your laugh but remember when you do
The biggest fool in Tennessee may turn out to be you
