

# Eddy Arnold, I'm Gonna Lock My Heart (And Thro

I'm gonna lock my heart and throw away the key  
I'm wise to all those tricks you played on me  
I'm gonna turn my back on love gonna stop the moon above  
She lower my windows up with tin so the love bug can't get in

I'm gonna park my romance right along the curve  
Hang a sign upon my heart please don't disturb  
And if I'd never fall in love again that's soon enough for me  
I'm gonna lock my heart and throw away the key  
[ guitar - piano ]  
I'm gonna lock my heart...
