

Eddy Arnold, I'm In Love With You

I'm in love with you in love with all my heart
And I'll always be if you'll come with me I'm in love with you

I'm in love with you you make the music start
You're the song I hear and I need you near I'm in love with you

It's such a simple thing that's so sweet and true
I know through all my days I'll always say I love you

I'm in love with you in love with all my heart
If you'll take my hand then you'll understand I'm in love with you
If you'll take my hand then you'll understand I'm in love with you
