

Eddy Arnold, I Walk Alone (2)

I walk alone where once we wandered
It seems so strange since you are gone
Till you return I'll stay the same dear
I'll still be true and walk alone

By stars above I swear to love you
With all the love I've ever known
While we're apart you'll always own me
When teardrops start I walk alone

The flame of love is brightly burning
You know that I'm your very own
Each night I pray for your returning
But while you're gone I walk alone
