

Eddy Arnold, In The Misty Moonlight

In the misty moonlight by the flickering firelight
Any place is all right long as I'm with you
In a faraway land on the trophic sea sand
If your hand's in my hand I won't be blue

Way up on the mountain a way down in the valley
I know I'll be happy anyplace anywhere I don't care
In the misty moonlight by the flickering firelight
Any place is all right long as you are there

Way up on the mountain...
