

Eddy Arnold, Love And Marriage

Love and marriage love and marriage go together like a horse and carriage
This I'll tell you brother you can't have one without the other
Love and marriage love and marriage it's an institution you can't discourage
As the local gentry and they will say it's alimentary

Try try try to seperate them as an illusion
Try try try and you will only come to this conclusion
Love and marriage love and marriage go together like a horse and carriage
That was told my mother
You can't have one you can't have none you can't have one without the other
[guitar]
Try try try to seperate them as an illusion...
