

# Eddy Arnold, Loving Her Was Easier (RCA Victor)

(Kris Kristofferson)

(Loving her was easier than anything I'll ever do again)

Oh, I have seen the morning burning golden  
On the mountains in the skies  
Aching with the feeling of the freedom  
of an eagle when she flies.

Turnin' on the world the way she smiled  
Upon my soul as I lay dying  
Healing as the colors in the sunshine  
And the shadows of her eyes.

Waking in the morning  
To the feeling of her fingers on my skin  
Wiping out the traces of the people  
And the places that I've been.

Teachin' me that yesterday  
Was something that I never thought of trying  
Talking of tomorrow and the money  
Love and time we had to spend.

Loving her was easier  
Than anything I'll ever do again  
Coming close together with a feeling  
That I'd never known before in my time.

She ain't ashamed to be a woman  
Or afraid to be a friend  
I don't know the answers to  
The easy way she opened every door in my mind.

But dreamin' was as easy as believin'  
It was never gonna end  
And loving her was easier  
Than anything I'll ever do again...
