

Eddy Arnold, Man's Kind Of Woman

I'm a man's kind of man and I know what I want when I look at you
I'm a man's kind of man and I know what I need when I look at you
Cause you're a man's kind of woman and now I know
That this man's kind of man's got a long long way to go
I'm a man's kind of gambler and I win at almost anything I do
I can cheat the world with a losing hand walk away not give a damn except for you
Cause you're a man's kind of woman and now I know
Oh that this man's kind of man's got a long long way to go
I'm a man's kind of man and I had my share of women everywhere I'd go
And when a woman loves a man there's no woman who can stand next to you that I know
Cause you're a man's kind of woman and now I know
That this man's kind of man's got a long long way to go long way to go
